GENERAL ORDER 16-06

IN RE: Plea Agreement Supplement in Criminal Cases

Pursuant to General Order 08-09, a criminal case resolved by a plea of guilty requires a sealed supplement to be filed in the record accompanying the plea agreement. The Court finds the supplement to a plea agreement is a contract between the parties to the litigation. Therefore, the Court having been sufficiently advised and on its own motion,

**HEREBY ORDERS:**

- 1) The supplement to a plea agreement shall **NOT** be filed in the record, unless otherwise ordered by the Court.
- 2) The government will maintain the original cooperation agreement. In the event of a dispute, the parties may present the cooperation agreement to the Court.
- 3) General Order 08-09 is hereby **WITHDRAWN**.

Dated May 20, 2016.
