Clerk, U.S. District Court

**UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF KENTUCKY**

GENERAL ORDER NO. 22-09

**ORDER RE: PAYMENT SCALE FOR
COURT-ORDERED TREATMENT SERVICES**

*** **

A majority of the District Judges of the Court being in agreement, it is hereby

ORDERED that the following instructions and co-pay scale are adopted for payments to be made by persons under supervision when provided treatment services at the direction of the Court:

Co-Pay Scale The amount of money the person under supervision will be responsible to pay will be based on the completion of a net monthly cash flow statement at the onset of treatment. The monthly cash flow statement will be updated every six months (should the person under supervision continue in contracted treatment), to ensure the United States Probation Office is responsive to a change in the person's financial circumstances. The amount of cash flow will determine how much the person under supervision will be responsible for paying each month.

The following co-payment scale is adopted and ordered by the Court:

NET MONTHLY CASH FLOW:

\$0 to \$250 - \$10 per month

\$250 to \$500 - \$25 per month

\$500 and above - \$50 or self-pay.

Dated: August 15, 2022.
